World Trade Center Properties, L.L.C. et al. v. Al Baraka Investment and Development Corp., et al., No. 04 Civ. 7280

Dear Judge Netburn:

We represent defendant Yassin Abdullah Kadi in the captioned multi-district litigation. In our opposition papers filed January 19 to Plaintiffs' motion to compel, we identified the above-captioned *World Trade Center Properties* case as one of the component cases to which our papers related. In addition, in footnote 1 to our Memorandum of Law and my Declaration, we commented on Plaintiffs' failure to include this case as a related underlying case in their motion papers.

We included this case on our papers because our client was a defendant in that case, and we observed that it is still open on the Court's records. It has since come to our attention that a Notice of Voluntary Dismissal was filed in that case on March 4, 2011 (ECF No. 404 on the docket of 04 Civ. 7280). This document was "So Ordered" by Judge Daniels on

March 11, 2011. The “So Ordered” document was filed March 14, 2011 (ECF No. 2410 on the docket of 03 MDL 1570). A copy of this document is annexed hereto.

The plaintiffs listed in the Notice of Dismissal are all the plaintiffs in the 04 Civ. 7280 action, supporting the proposition that that action is concluded. Some confusion may have been caused by the following language in the Notice of Dismissal: “The WTCP plaintiffs' voluntary dismissal of their claims with prejudice against such defendants does not affect the status of the action of all other plaintiffs against those or any other defendants.”

Respectfully,

s/
